## Using Search Engines

Get on Coker's website. Select Students and then Fifth Grade. From the Reference Sources menu select Search Engines. This will take you to the TekMom website. You may use the four search engines that are in the first blue box: [AOL@School](#), Yahoo!igans, KidsClick, and Ask Jeeves for Kids.

1. Use the AOL search engine. Search for Abraham Lincoln. How many sites are listed? \_\_\_\_\_ Write the names of the first two websites that are for 5<sup>th</sup> graders.

\_\_\_\_\_  
\_\_\_\_\_

2. Use the Yahoo!igans search engine. Search for Abraham Lincoln. How many website matches are there? \_\_\_\_\_

3. Use the KidsClick search engine. Search for Abraham Lincoln. How many matching searches were there? \_\_\_\_\_  
Would the reading level of the site Ghosts of the White House be appropriate for fifth grade? \_\_\_\_\_

4. Use the Ask Jeeves for Kids search engine. Search for Abraham Lincoln. How many sites are listed under Jeeves Knows These Answers? \_\_\_\_\_

5. Do a search for **word puzzles**. You may use any of the search engines listed in the directions above. Write down the name of the one you decide to use:

\_\_\_\_\_  
When you get a list of web sites, list the name of two sites you think look interesting.

\_\_\_\_\_  
\_\_\_\_\_

6. Go to the two sites you listed on number 5. Which one did you like the best?

\_\_\_\_\_  
What do you like about the site? \_\_\_\_\_

7. Do a search on any topic of interest to you. List the topic of your search:

\_\_\_\_\_  
What search engine did you use? \_\_\_\_\_  
Name two websites you found that look interesting. \_\_\_\_\_
